

## Traffic Shift to South Side of Grant Road from Stone Avenue to Hampton Street

September 29, 2017

The first layer of new asphalt, portions of new curb and sidewalk, as well as new underground utilities and other infrastructure work are complete on the south side of Grant Road from Stone Avenue to Hampton Street, just east of First Avenue. Markham Construction crews will now begin improvements on the north side of Grant Road from Stone Avenue to Park Avenue.

To facilitate this work, at **6 a.m. Wednesday, October 4th eastbound and westbound travel on Grant Road from Stone Avenue to Hampton Street will be shifted to the newly constructed roadway and reduced to one lane in each direction.** The travel lane reduction for eastbound travel on Grant Road will begin east of Oracle Road.

Left turns from Grant Road will be permitted only at Santa Rita Avenue, Park Avenue, Euclid Avenue, Sixth Avenue and Stone Avenue.

Temporary bus pullouts are in place to assist with the flow of traffic.

The speed limit will be reduced to 25 mph. There will be no designated bike lanes.

When complete Grant Road Phase 2 Improvements will include:

- Six vehicular travel lanes
- Protected bike/pedestrian street crossings
- Drainage improvements
- Indirect left turns at Stone and First
- Bike lanes & sidewalks
- Bus pullouts and bus shelters
- Sustainability features; water harvesting
- Public Art

The traveling public can expect delays when driving in this work area. Please obey all traffic control signs and watch for construction personnel and equipment in the work zone.

We look forward to working with you throughout the project, and encourage any feedback. The Project Team is dedicated to delivering a beneficial project for the entire region, on behalf of the City of Tucson and the RTA. If you have any additional questions or comments, please call the Grant Road Information line at (520) 624-4727 or email [information@grantroad.info](mailto:information@grantroad.info).

Sincerely,

Grant Road Phase 2 Project Team
