

## Phase 2 - Stone Avenue to Park Avenue

### Construction Activities - Grant Road and First Avenue Intersection

March 31, 2017

Thank you for your interest in the Grant Road Improvement Project Phase 2.

**Beginning Monday, April 3 through Friday, April 7, from 8 p.m. to 5 a.m. each night**, Markham Contracting will install underground utilities at the Grant Road and First Avenue intersection. Traffic will be directed around the work areas. During this time, residents and the traveling public can expect the following:

#### Inside lane closures (approximately two days):

- East and westbound Grant Road will be reduced to one through travel lane
- All right turn movements **will be permitted**
- Left turn movements **will not be permitted** from eastbound Grant Road to northbound First Avenue
- Speed limits will be reduced to 25 MPH in the work zone

#### Outside lane closures (approximately three days):

- East and westbound Grant Road will be reduced to one through travel lane
- **All turn movements will be permitted**
- Speed limits will be reduced to 25 MPH in the work zone

The Grant Road Project Team is committed to providing timely and accurate information throughout this construction improvement project. Please watch for updated traffic information as the construction activities progress.

We look forward to working with you throughout the project, and encourage any feedback. The Project Team is dedicated to delivering a beneficial project for the entire region, on behalf of the City of Tucson and the RTA. If you have any additional questions or comments, please call the Grant Road Information line at (520) 624-4727 or email [information@grantroad.info](mailto:information@grantroad.info).

Sincerely,

Grant Road Phase 2 Project Team
