

Phase 2 - Stone Avenue to Park Avenue

Construction Activities - Grant Road and Sixth Avenue Intersection

April 12, 2017

Thank you for your interest in the Grant Road Improvement Project Phase 2.

On Tuesday, April 18, and Wednesday, April 19, from 9 a.m. to 1 p.m. each day, Markham Contracting will install temporary traffic signal wires and remove existing traffic signal poles at the **Grant Road and Sixth Avenue intersection**. The work will take place in the eastbound and westbound Grant Road left turn lanes at the intersection. During the work, the traveling public can expect the following:

- Eastbound and westbound left turn lanes will be temporarily closed at the intersection
- No left turns will be permitted from Grant Road to Sixth Avenue
- All right turn movements will be permitted
- Expect intermittent traffic delays

The traveling public can expect delays when driving in this work area. Please obey all traffic control signs and watch for construction personnel and equipment in the work zone.

We look forward to working with you throughout the project, and encourage any feedback. The Project Team is dedicated to delivering a beneficial project for the entire region, on behalf of the City of Tucson and the RTA. If you have any additional questions or comments, please call the Grant Road Information line at (520) 624-4727 or email information@grantroad.info.

Sincerely,

Grant Road Phase 2 Project Team
