

Phase 2 - Stone Avenue to Park Avenue

Construction Activities - 6th Avenue Traffic Shift

May 15, 2017

Thank you for your interest in the Grant Road Improvement Project Phase 2.

Beginning at 6 a.m. Wednesday, May 17 through 5 p.m. Thursday, May 18, Markham Contracting will install water lines on 6th Avenue at Grant Road. During this time the traveling public can expect the following:

- Motorists traveling north and southbound on 6th Avenue at Grant Road will be shifted around the work area
- Northbound 6th Avenue will be temporarily transitioned into a single left and right turn lane
- Bicyclists traveling northbound on 6th Avenue should use the full travel lane
- Left turns will not be permitted from westbound Grant Road to southbound 6th Avenue

The traveling public can expect delays when driving in this work area. Please obey all traffic control signs and watch for construction personnel and equipment in the work zone.

We look forward to working with you throughout the project, and encourage any feedback. The Project Team is dedicated to delivering a beneficial project for the entire region, on behalf of the City of Tucson and the RTA. If you have any additional questions or comments, please call the Grant Road Information line at (520) 624-4727 or email information@grantroad.info.

Sincerely,

Grant Road Phase 2 Project Team
