

## PARK AVENUE CLOSURE NORTH OF GRANT ROAD

*Work to start on Monday, May 7, 2018*

May 3, 2018

Thank you for your interest in the Grant Road Improvement Project Phase 2.

On Monday May 7, 2018, **Park Avenue north of Grant Road** will be closed to allow work crews to safely remove on old, abandoned water line and perform additional underground utility work at the intersection. The closure will take place from approximately 6 a.m. to 5 p.m. on the same day. During this time, motorists and bicyclists can expect the following:

- North and southbound through traffic will not be permitted at the intersection of Grant Road and Park Avenue
- Right turn movements will not be permitted from westbound Grant Road to northbound Park Avenue
- Left turn movements will not be permitted from eastbound Grant Road to northbound Park Avenue
- Access to businesses and residents will be maintained

Work to widen Grant Road from Stone Avenue to Park Avenue began in March 2017. The improvements include six vehicular travel lanes, protected bike/pedestrian street crossings, drainage improvements, indirect left turns at Stone Avenue and First Avenue, bike lanes and sidewalks, bus pullouts and bus shelters, and public art. For more information, please visit [www.grantroad.info](http://www.grantroad.info) or email [information@grantroad.info](mailto:information@grantroad.info).

The speed limit in the construction zone has been reduced to 25 mph and motorists can expect delays while traveling through the work zone. Please be cautious of equipment and construction personnel in the work areas. The schedule is subject to change due to inclement weather or unforeseen circumstances.

The project is part of the \$2.1 billion Regional Transportation Authority (RTA) Plan, which will be implemented through 2026. The multimodal plan, nearly halfway through implementation, includes roadway, safety, transit, environmental and economic vitality improvements. This project is managed by the City of Tucson. Details about the RTA plan are available at [www.RTAmobility.com](http://www.RTAmobility.com)

The Project Team is dedicated to delivering a beneficial project for the entire region, on

behalf of the City of Tucson and the RTA. If you have any additional questions or comments, please call the Grant Road Information line at (520) 624-4727 or email [information@grantroad.info](mailto:information@grantroad.info).

Sincerely,

Grant Road Phase 2 Project Team
