

## PARK AVENUE CLOSED NORTH OF GRANT ROAD AND ADDITIONAL SIDE STREET CLOSURES

*Work to start on Saturday, June 9 at 5 a.m. until 5 p.m.  
and side street closures to begin Monday, June 11 at  
7 p.m. until Thursday, June 14 at 5 a.m.*

---

June 7, 2018

Thank you for your interest in the Grant Road Improvement Project Phase 2.

On Saturday, June 9, 2018, Park Avenue just north of Grant Road will be closed to travel from approximately 5 a.m. to 5 p.m., to allow work crews to repave this section of roadway. During the closure, motorists and bicyclists traveling south on Park Avenue will not have access to Grant Road. Glenn Street can be used as a detour. Motorists and bicyclists traveling north on Park Avenue approaching Grant Road will be allowed to turn eastbound and westbound on Grant Road. Through travel will be prohibited during the closure.

Additional side street closures along Grant Road will take place next week to allow crews to remove old and abandoned underground water lines. On the following days, these side streets will be closed each night beginning at 7 p.m. and will reopen the next day at 5 a.m.:

- Monday, June 11 and Tuesday, June 12 - Fourth Avenue, Sixth Avenue, El Capitan, south of Grant
- Tuesday, June 12 and Wednesday, June 13 - Third Avenue, Flores Drive, Second Avenue south of Grant
- Wednesday, June 13 and Thursday, June 14 - Second Avenue, Hampton Avenue, Fremont Avenue south of Grant
- Thursday, June 14 - Park Avenue south of Grant Road

Work to widen Grant Road from Stone Avenue to Park Avenue began in March 2017. The improvements include six vehicular travel lanes, protected bike/pedestrian street crossings, drainage improvements, indirect left turns at Stone Avenue and First Avenue, bike lanes and sidewalks, bus pullouts and bus shelters, and public art.

---

The speed limit in the construction zone has been reduced to 25 mph and motorists can expect delays while traveling through the work zone. Please obey all traffic control signs and watch for construction personnel and equipment in the work zone. The schedule is subject to change due to equipment malfunction or inclement weather.

The project is part of the \$2.1 billion Regional Transportation Authority (RTA) Plan, which will be implemented through 2026. The multimodal plan, nearly halfway through implementation, includes roadway, safety, transit, environmental and economic vitality improvements. This project is managed by the City of Tucson. Details about the RTA plan are available at [www.RTAmobility.com](http://www.RTAmobility.com)

The Project Team is dedicated to delivering a beneficial project for the entire region, on behalf of the City of Tucson and the RTA. If you have any additional questions or comments, please call the Grant Road Information line at (520) 624-4727 or email [information@grantroad.info](mailto:information@grantroad.info).

Sincerely,

Grant Road Phase 2 Project Team
