Thank you for your interest in the Grant Road Improvement Project Phase 2.

- Seventh Avenue will be temporarily closed at Grant Road
- Resident and business access will be maintained
- At night, the entrance will be plated and reopened until the following morning

Additional work is expected in this area within the next several weeks. The traveling public can anticipate right lane closures, traffic shifts and heavy delays. Please watch for message boards and updated traffic alerts for more information.

The traveling public can expect delays when driving in this work area. Please obey all traffic control signs and watch for construction personnel and equipment in the work zone.

We look forward to working with you throughout the project, and encourage any feedback. The Project Team is dedicated to delivering a beneficial project for the entire region, on behalf of the City of Tucson and the RTA.
