

Phase 2 - Stone Avenue to Park Avenue

Construction Activities- Stone Avenue/Grant Road Intersection

August 17, 2017

Thank you for your interest in the Grant Road Improvement Project Phase 2.

Waterline installations at the Stone Avenue/Grant Road intersection, will continue through Wednesday, August 23 .

- Southbound Stone Avenue will be reduced to one through lane at Grant Road
- All turn movements at the intersection of Stone Avenue and Grant Road will be permitted
- Sahuaro Street will be temporarily closed at Stone Avenue
- No right turns will be permitted from Stone Avenue to Sahuaro Street
- Traffic control will be in place 24 hours a day, however, it will be removed over the weekend
- Business and resident access will be maintained
- Expect delays

Beginning Thursday, August 24 through Friday, September 1, from 5 a.m. to 4 p.m. each day, Markham Contracting will install water lines at the intersection of Stone Avenue/Grant Road and along the west side of Stone Avenue, just north of Grant Road. **As a reminder, construction schedules are subject to change due to weather or unforeseen circumstances.** The traveling public can expect the following:

- Grant Road will be reduced to one through lane in each direction, therefore no left turns will be permitted in any direction
- Southbound Stone Avenue will be reduced to one through lane
- Tucson Police will be onsite to help direct traffic as needed
- Traffic control will be in place 24 hours a day, however, it will be removed over the weekend
- Business access will be maintained

- Speeds will be reduced to 25 MPH. Expect delays

The traveling public can expect delays when driving in this work area. Please obey all traffic control signs and watch for construction personnel and equipment in the work zone.

We look forward to working with you throughout the project, and encourage any feedback. The Project Team is dedicated to delivering a beneficial project for the entire region, on behalf of the City of Tucson and the RTA.
