

Phase 2 - Stone Avenue to Park Avenue

Construction Activities- Hampton Avenue Closure & Paving

September 18, 2017

Thank you for your interest in the Grant Road Improvement Project Phase 2.

Beginning Tuesday, September 19 through Wednesday, September 20, from 5 a.m. to 4 p.m., the contractor will pave the new eastbound lanes of Grant Road from just east of First Avenue to just east of Santa Rita Avenue. Once the mainline is complete, the contractor will pave the remaining side street (excluding Hampton) entrances along the south side of Grant Road. During paving activities, the traveling public can expect the following:

- Additional side streets along the south side of Grant Road will be intermittently closed while the paving equipment moves through the area.
- Access will be maintained from surrounding side streets.
- The speed limit will be reduced to 25 mph. Expect delays.

Hampton Avenue will be closed at Grant Road beginning 5am Wednesday, September 20 thru Tuesday, September 26th. Access will be maintained to businesses in the area. This closure will allow the contractor to install new drainage structures.

The traveling public can expect delays when driving in this work area. Please obey all traffic control signs and watch for construction personnel and equipment in the work zone.

We look forward to working with you throughout the project, and encourage any feedback. The Project Team is dedicated to delivering a beneficial project for the entire region, on behalf of the City of Tucson and the RTA. If you have any additional questions or comments, please call the Grant Road Information line at (520) 624-4727 or email information@grantroad.info.

Sincerely,

Grant Road Phase 2 Project Team
