

Making Grant Road Transit-Friendly

Transit is vitally important to residents and businesses on Grant Road and to the people who travel through the area each day. The Task Force and Planning Team heard many suggestions from the public about improving transit along Grant and increasing mobility, safety, and comfort for both transit users and operators. Here are the improvements and amenities that will be implemented.

Enhanced Transit Stops with:

- solar-powered lighting
- way-finding signs
- bicycle parking
- benches
- landscaping
- shading
- water harvesting (at some locations)

Bus pullouts at 40 bus stops
