

What We Have Heard So Far About Public Art...

Public Art Workshop – Selected Maps

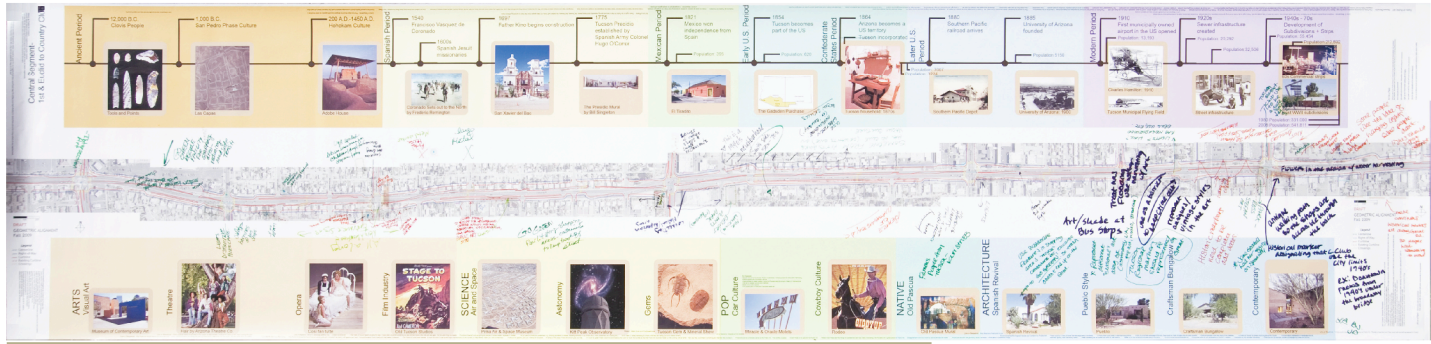

Oracle to 1st & Euclid: Environment + Ecology Map

- ### Object or Point Art Ideas –
- "Gateway" opportunity at Oracle
 - Let's have Major American Sculpture, not exclusively a selection process
 - Mansfield Park black history & artwork
 - A recognizable entrance to Jefferson Park at Grant & Mountain
 - Historic signs as public art/public memory, Grant Road Lumber
 - Bring back the plane at Grant and Country Club
 - Use neon "sign" art near western segment
 - Brutalist architecture – interpret in art
 - Medians with art that rotates
 - Mosaic entrance to neighborhood at Fremont & Grant
 - Centerpiece/gathering area in new park at Mountain & Grant
 - Plane or artwork remembering the Plane on southwest corner of Grant & Country Club
 - Retain commemorative marker for San Xavier Mission
 - Botanical Gardens art symbol
 - Retain Tia Elena sculpture
 - Water harvesting sculpture
 - Solar powered light sculpture
 - Retain historic sculpture and create more in similar style, Grant near Sparkman
 - Symbols for: Park; School; Riverwalk

- ### Environments or Spatial Art Ideas –
- Antiques Plaza with water feature
 - Have plazas for kids near commercial, transit stops, and schools
 - Shaded areas with water
 - Bike routes with rest areas
 - Meditation spaces made by artists
 - Environmental art that uses water harvesting
 - "For walking" Desert Plants Park, no benches
 - Art along a connected riparian zone
 - Pocket park at Euclid & Grant
 - Park at Mountain & Grant
 - Lots of open space available in western segment for art opportunities
 - Connect Grant & 6th to Mansfield Park to create a regional park
 - Designate temporary Art Area – coordinate with local art community, area of Grant & 10th
 - Plaza by Dunkin' Donuts for kids with gardens, tables, play area
 - Grant & Alvernon plaza with umbrella trees, sitting benches, fountains, Celebrate activities, Park Plaza
 - Outdoor plaza at Grant & Country Club with shade and seating taking advantage of the views
 - Art/Park/Plaza node for Antiques District
 - Open Space Idea – south side of Grant from Park to Highland, 4 block linear area created by new roadway
 - Mid-century modern space/landscape near Miracle Mile
 - Neighborhood landscape/gardens celebrating Pasqua Yaqui Village
 - Audio & tactile art for SAAVI

- ### Linear or Sequential Art Ideas –
- Interpretive architectural artwork in medians
 - Art that produces shade along sidewalks & bus stops
 - Pedestrian bridges over roadway with animal forms- snake, lizard
 - Pelican crossings in animal shapes, etc. In one side out other
 - Transition into and out of Miracle Mile corridor- neon
 - Utilize mid-century modern aesthetics in western segment
 - Use bus stops to identify themes
 - Use public art with district markers to identify your location
 - Incorporate art with seating, lights, water harvesting, vegetation for Antiques District pathway
 - Use public art to design lighting: use solar power
 - Bus stops, trash bins, mosaic work on panels, murals
 - A sequence of meditative rest areas for pedestrians and bikers
 - Art signage identifying parks, schools, places of interest
 - Artwork with artificial foliage to create shade
 - Linear artwork in the median where intersecting streets cannot cross -visible to the neighborhood
 - A sequence of artwork celebrating "Car Culture" and filmmaking history
 - Use linear artwork to slow downhill traffic from 6th to Stone
 - Linear artwork fronting shopping center parking lots
 - Sequential lights along a distinctive bike lane, Mountain
 - All along roadway, public art neighborhood entrance signs
 - Interpretive artwork with pathway connecting riparian areas
 - Linear art about history or flora & fauna directing people to parks
 - Pedestrian "art" bridges connecting shopping centers
 - Decorative sidewalks to encourage/interest pedestrians

1st & Euclid to Country Club: History + Culture Map

- ### Surface or Planar Art Ideas –
- Pedestrian pathways – sidewalks and shopping center areas
 - Use murals, panel mosaics
 - Art on vertical faces of pedestrian bridges
 - Art walls at intersections to protect pedestrians
 - Embedded art in sidewalk "like Pima east of Swan"
 - Use mid-century strip mall expressive facade aesthetic for east bound traffic on north side of Grant between 1st & Park
 - Hanging lights over Grant from Margaret to Country Club
 - No hanging lights
 - Historical photos on wall showing Country Club was city limits in 1940's
 - Make continuous historic markers along Grant so people have something to read
 - Use art to separate children from traffic around Doolen; involve school kids in making art
 - Create a Sparks Cycle Memorial
 - Make a Double "E" mural for former ranch site
 - Use geometric paving patterns
 - Make an Antiques Plaza
 - At Grant & Alvernon have a pedestrian tile walk
 - Make shade for meditation rest spots near bus stops

- ### Anomaly Art Ideas –
- Represent different "seasonal" art along Grant – astronomy, Native American, Pop Art, rodeo, street art, etc.
 - Art about well-known people – Jamie Farr, John Denver (Doolen)
 - Ross Stefan, Kerri Strugg, Jane Goodall
 - Driving into the sunset
 - Mountain views
 - Utilizing art for water harvesting where the roadway floods – Grant & Country Club, Grant & Alvernon for example
 - Unusual art at intersections
 - Celebrate the diversity of neighborhoods
 - Reject any repeat of present "artwork" and select only new & imaginative pieces judged by citizens in a referendum

Country Club to Swan: Environment + Ecology Map

- ### Influential Ideas For Artists –
- Create an "Education" corner near Doolen
 - Represent vintage styles near Antiques District
 - Utilize mid-century modern heritage
 - Driving into the sunset
 - Cultural diversity in area
 - Top of watershed for Rillito River at Fontana & Stone
 - Neighborhood coyotes
 - Indian basketry, Southwest culture, food, cacti, colors of desert vegetation; desert & natural beauty
 - Marrying old technologies/aesthetics with the new
 - View corridors – mountain vistas, sunsets
 - Moveable art; minimalism; Southwest theme; Brutalism; mid-century modern; Googie; Deco
 - Histories – Double E; Plane; Miracle Mile; Antiques; Botanical Gardens; Riverwalk; Sparks Cycle
 - Sunset colors – red, orange
