GRANT ROAD *Improvement Plan*

Mobility

Vitality

Sustainability

View advanced design plans for the first improvement project at Grant-Oracle and the preliminary design for the entire length of the Grant Road Improvement Plan.

The Open House will present:

- Information about the first improvement project at Grant-Oracle - scheduled to begin in late 2011!
- Preliminary design plans for Grant Road from Oracle to Swan
- Meet the artists selected for the Grant-Oracle Project and provide input on their draft design concepts
- Review the public art master plan for the entire roadway
- Land use planning schedule and information
- Streetscape and landscape plans
- Pedestrian, bicycle and transit features
- The reconstruction schedule for Grant Road
- Public involvement to date and how you can stay involved

RTA MainStreet Business Assistance representatives will be available to answer questions and provide information.

The Grant Road Improvement Plan team and Citizen Task Force would like to thank the public for their enormous contribution to the planning and design of Grant Road through their valuable input and participation.

For accommodations; materials in accessible formats; foreign language interpreters; and/or materials in a language other than English, please contact Liz Beamer at (520) 624-4727, fax to (520) 885-0311, or e-mail information@grantroad.info, or (520) 791-2639 for TDD at least 5 business days in advance of this scheduled event.

Wednesday, November 17, 2010
